### INDUSTRY GROWTH

IT industry growing at 3% per year, outpacing Australia's labour market

### CAREER GROWTH

75% of the fastest growing occupations require STEM knowledge and skills

### KNOW YOUR COMPETITION

Annual IT enrollments at universities are 50% higher than a decade ago

ACS is the professional association for Australia's tech sector. We're here to guide you into a successful career with the right skills and the right connections.

Join ACS as a student and stand out from the crowd in fast tracking your ICT career. Discover your potential to become Australia's future tech leader.

## YOUR FUTURE

### BE CERTAIN OF YOUR FUTURE

ACS gives you the confidence you're on the right path.

### MAKE YOURSELF WANTED

ACS gives you the skills and ability your future employers are looking for.

### MEET THE RIGHT PEOPLE

ACS is a community that connects you to leaders, employers, and peers.

## HOW WE CAN HELP

Breaking into the tech industry is a great career move. Demand for people with the right skills continues to grow exponentially. How are you going to take advantage of this opportunity? We can help you with that.

### THE RIGHT SKILLS

The most important thing employers are looking for is tech professionals with business smarts. ACS can help you identify skills gap for your dream job. Use our on demand learning courses, guided learning pathways and events designed to prepare you for the workplace to give you an edge over your competition.

### THE RIGHT RESOURCES

Get exposure to industry and employer needs and compete for emerging opportunities by attending our networking events, leadership seminars and employability events. Access a range of internship and job opportunities from top employers across Australia.

### THE RIGHT CONNECTIONS

Being part of ACS means you're connected to the profession. You'll get to know employers, learn what they're looking for, and the chance to make a great impression. You'll be joining an unrivalled peer network offering mentoring, guidance, and support when you need it.

### GET STARTED

Invest in your tech career today. Chat with us on Facebook, [email](#), or [phone us](#), and we'll get started together.

### WHAT OTHERS SAY ABOUT ACS...

"I have found the LMS courses available as a part of my student membership to be excellent. They provide me with an edge and advantage over other students that have not completed them. A good mixture of technical and soft skill courses which I have used during my studies."
